

HVAC FILTERS

Oregon Corrections Enterprises (OCE) is proud to announce the startup of the same MERV 8-rated HVAC air filter production and supply program that Shangri-La discontinued in 2017. See the list below for competitive pricing of our most popular sizes. All filter pricing includes shipping to your location!

Don't see the size you want? Please call our Sales team for a complete price sheet.

- High end filters for commercial applications and residential buildings
- MERV 8 Filter Rating
- High Capacity Pleated Filters
- Filters are sold in case quantities, typically:
 - 6 ea. 2" filters per case
 - 12 ea. 1" thick filters per case
- Need filters right away? Will call is available!
- Support OCE's training program and save your agency money in the process!
