# STUDY FURNISHINGS

Mobile study tables and chairs are easily organized in multiple setups.

**MAKE SOCIAL DISTANCING POSSIBLE** with mobile study tables and chairs. With this mobility, and materials that stand up to cleaning over and over, these learning surfaces and seating options give you the flexibility as educators to stage your room for optimal, safe learning. Whether you choose stationary designs, single-student models, or group study stations, OCE has products to meet the unique needs of the new normals in education.

Flip-top tables give you the flexibility to rearrange and store tables without clutter or blocked pathways.

Attractive durability meets quality at an affordable price point.

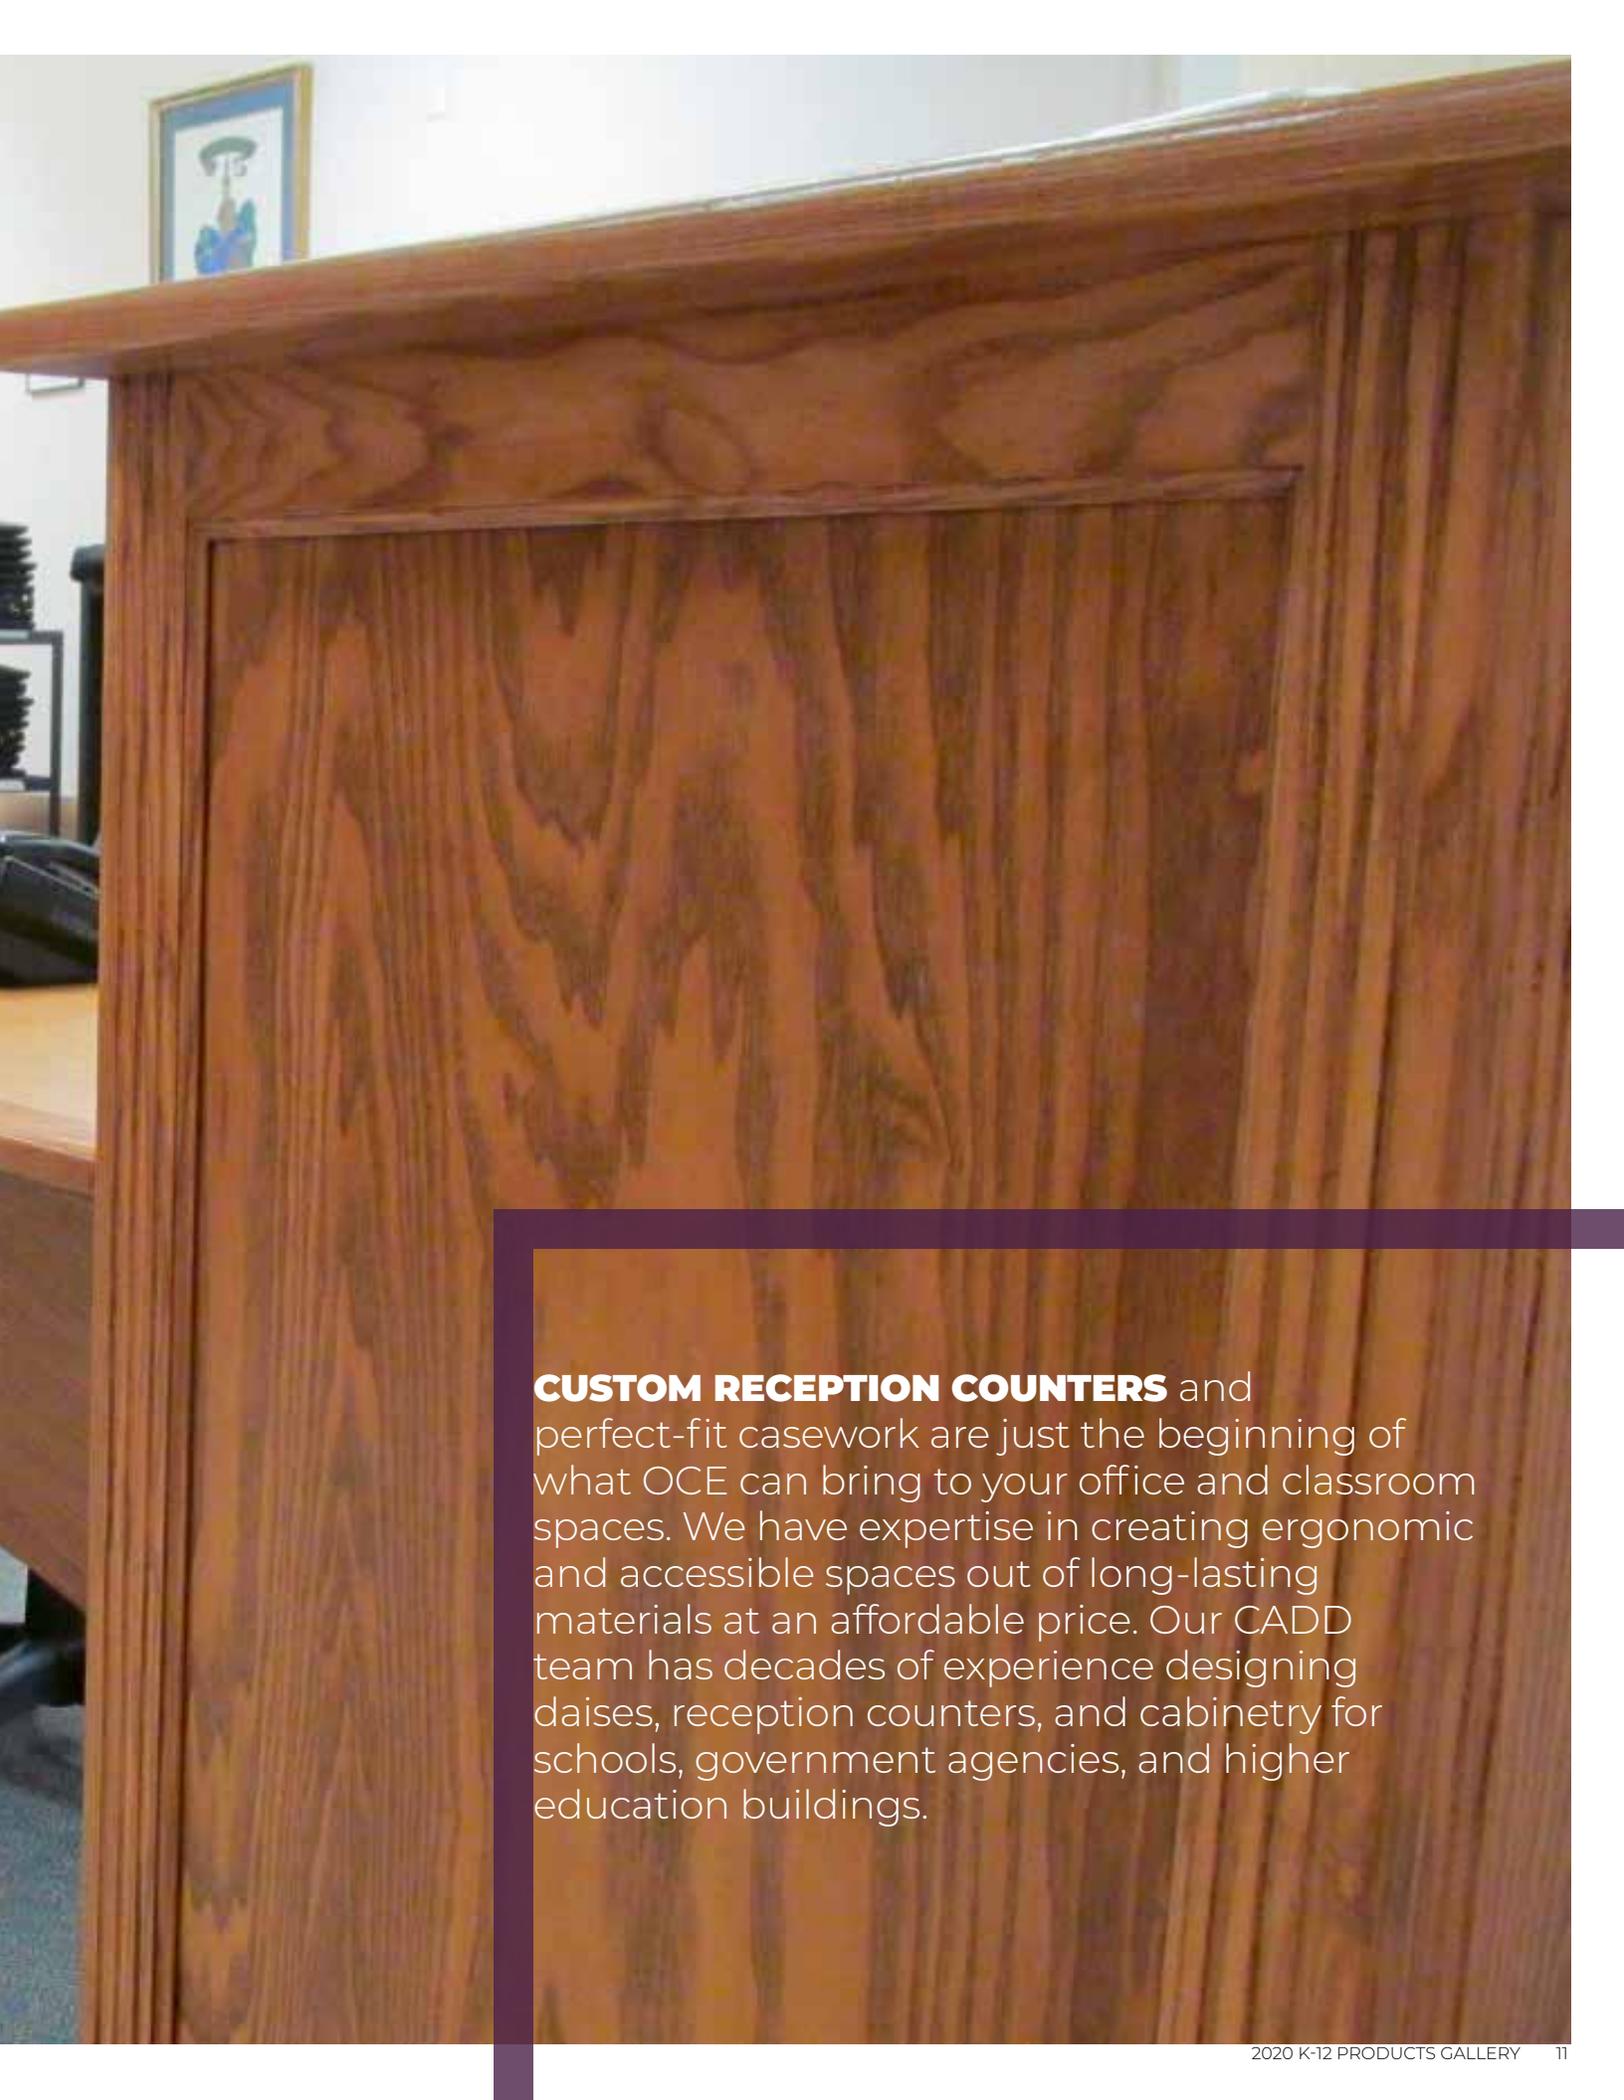

We build custom workspaces for the highest levels of study.

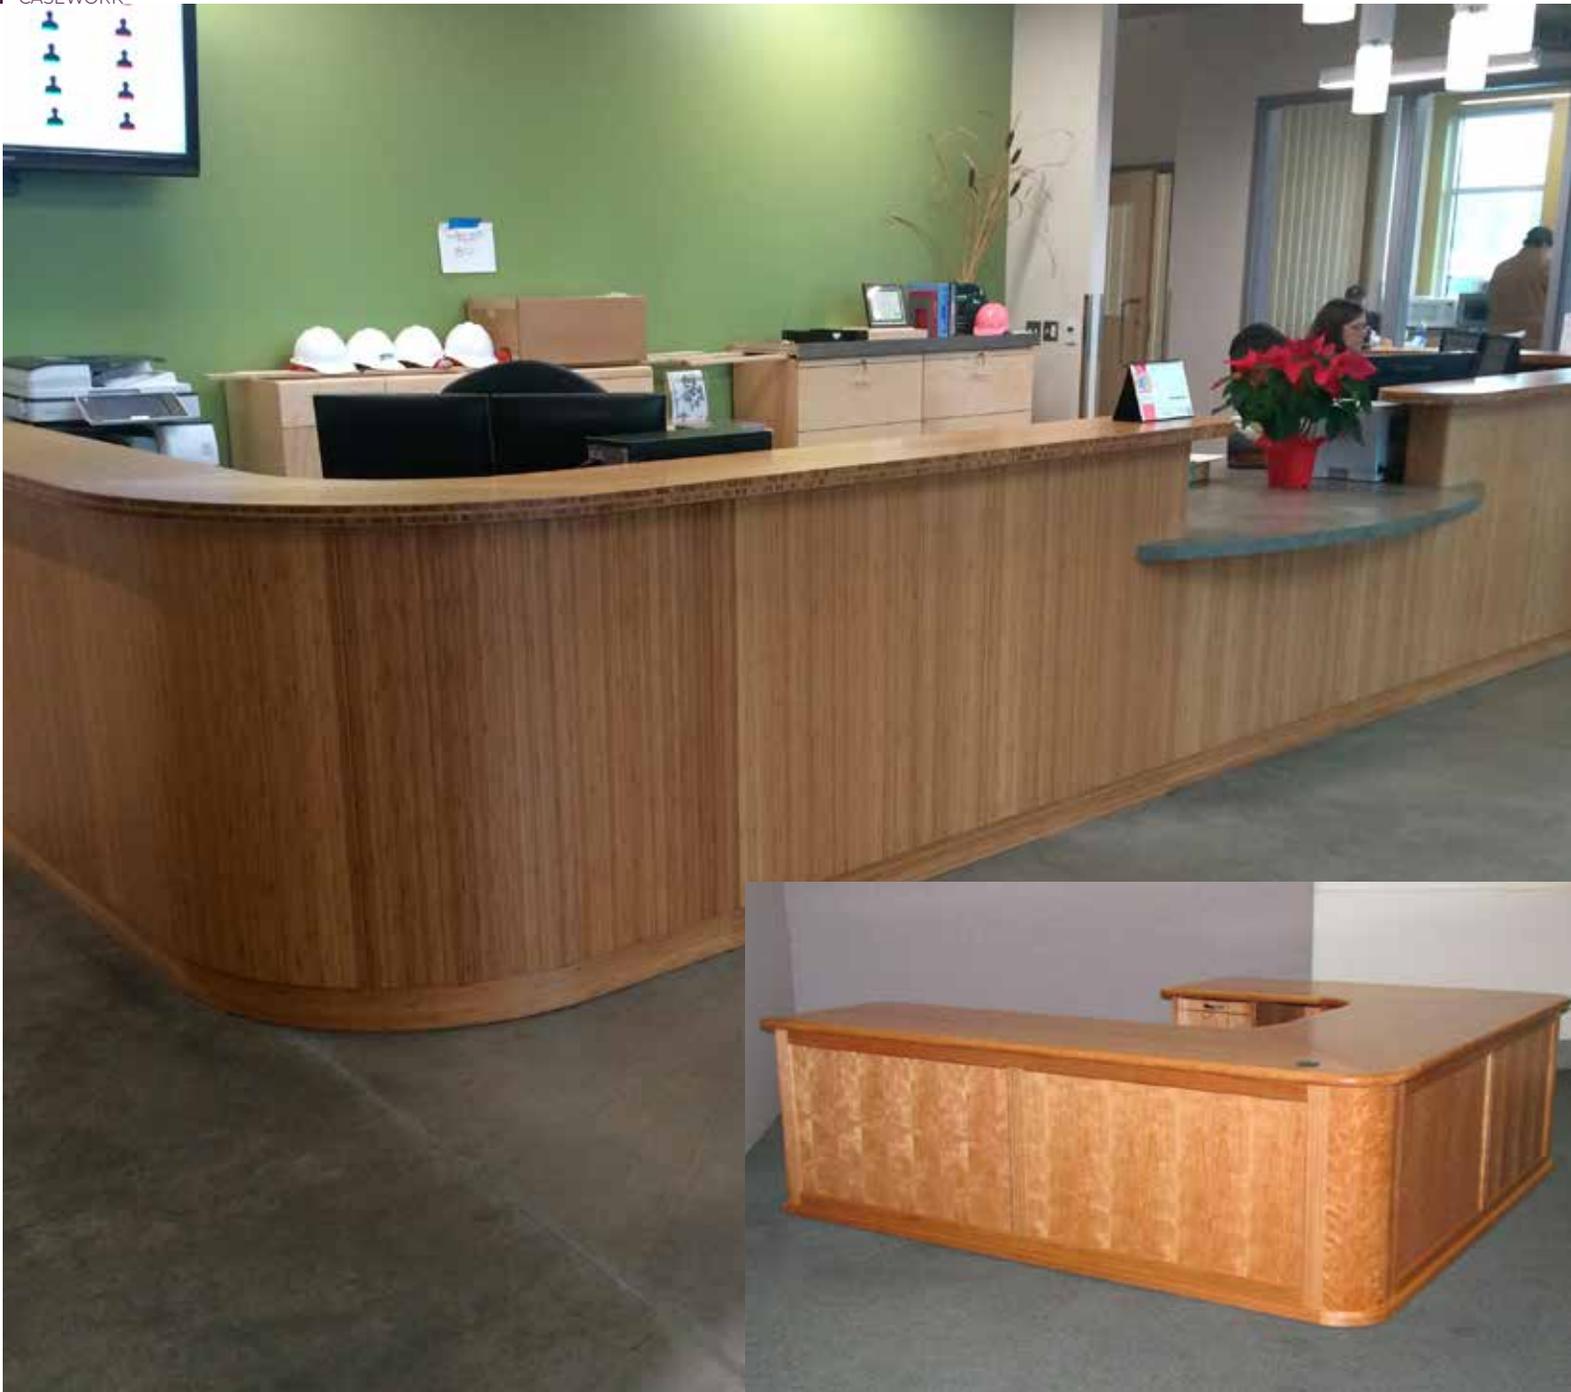

# CASEWORK

We design custom counters for any space that are welcoming and accessible.

**CUSTOM RECEPTION COUNTERS** and perfect-fit casework are just the beginning of what OCE can bring to your office and classroom spaces. We have expertise in creating ergonomic and accessible spaces out of long-lasting materials at an affordable price. Our CADD team has decades of experience designing daises, reception counters, and cabinetry for schools, government agencies, and higher education buildings.

High-quality hardware and years of industry experience are behind these cabinets that last.

# LOUNGE

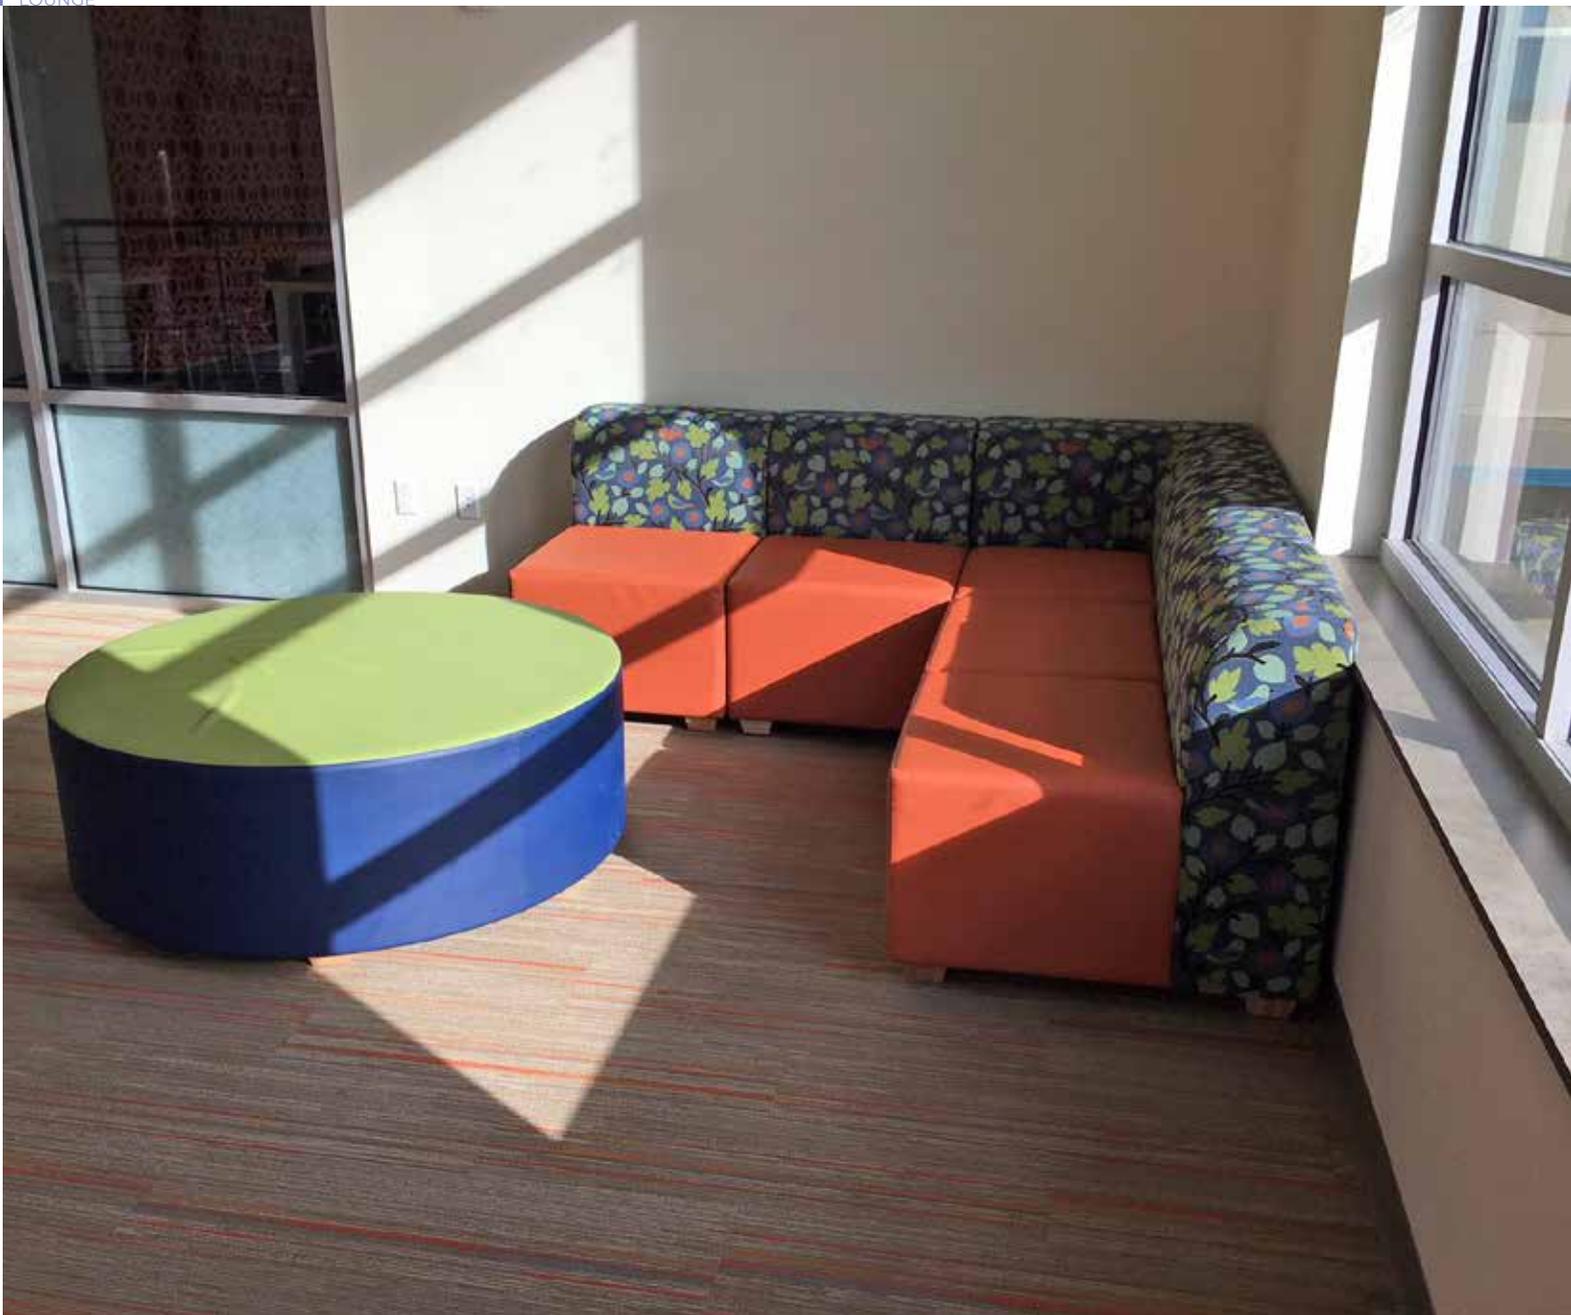

**WELCOMING PUBLIC SPACES** and relaxing quiet places are all made possible by the comfort and style of OCE upholstered seating products. From modern to rustic, and reclaimed to reinvented, our upholstery designers have created a full compliment of lounge seating options to fit any space. From chairs by a fireplace to sectionals in a lounge, we have the seating that suits your decor. Ask about our power port and tablet arm options when you speak to our representatives.
