

Radiused back conforms to the user's back for exceptional support.

Poly slatted back has a natural flex for unprecedented, intrinsic comfort.

Tablet arms have a large worksurface to keep materials accessible.

Attain Café Stools are available in 24" or 30" heights. Choose from armless, loop arms or cantilever arm styles.

## Attain Stack Chairs & Stools

Attain brings flex comfort to a broad audience due to its low price. It provides slat-back flex (no mechanism) to encourage movement, relaxation and enhanced circulation. A radiused back and contoured seat add even greater comfort.

Attain's simple, elegant design adapts to anyone in any space. Choose from two arm styles, armless or 3 tablet arms in all poly, poly back with upholstered seat or upholstered back and seat. Chairs stack 15-high on dolly and 4-high on floor (poly). Strive

café stools stack 4-high on floor (poly).

Innovative tablet arms provide accessible work surface to Attain 4-leg, 4-leg with casters and sled base chairs. Both standard and oversized table arms flip-up out of the way to provide ease of access. Chairs with tablet arms are non-stacking.
